"I made inquiries and learned that he got off the boat at the foot of Murray street. I think he must have boarded a train for the West. He was born in San Francisco, where we formerly lived, and probably it was in his mind to go there. I believe that he was suffering from some injury to his head.

"I don't like to say it, but it is possible he was kicked in the head in play-ing the Yale game, accidentally, of course. Or it may be that his brain was irned by overstudy. We have made adjustes of his classmates and find that of, and that he was really doing work that must have hurt his health.
"He applied himself so closely to his books in preparation for the mid-year examinations that after these were over

he had to come home here to recuperate. He remained about ten days and then returned to Cambridge.

"Mr. Hale, who roomed with my brother in Althone Hail, Cambridge, says that my brother showed no signs of aberration at the time he left Cambridge, but appeared about as usual.

My prother never complained of being hurt in any of the football games in which he participated, and when after the Yale game at New Haven I asked particularly if he had sustained any injury he stoutly said that he hadn't even been scratched. I saw the game and I did not notice that my brother was especially used up. When Barnard was injured my brother was called in to take his place at right guard, and was very proud of the fact that thereby he won his 'H'—the right to be accounted as one of the regular Harvard eleven.

"At any rate, mother and I are constined that there is something the matter with his head, or else he would have written to us. Never before had any one observed the least erratic behavior on his part.

forth, of St. Joseph, Mich., tells how she was cured of falling of the womb and its accompanying pains and misery by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: -Life looks dark indeed when a woman feels that her strength is fading away and she has no hopes of ever being restored. Such was my feeling a few months ago when I was advised that my poor health was caused by prolapsus or falling of the wonb. The word sounded like a knell toame, I felt that my sun had set; but Lydia E. Pinkham's Vegetable Compound came to me as an elixir of life; it restored the lost forces and built me up until my good health returned to me. For four months I took the medicine daily and each dose added health and strength. I am so thankful for the help I obtained through its use, —MRS. FLORENCE DANFORTH, 1007 Miles Ave., St. Joseph, Mich.

A medicine that has restored so many women to health and can produce proof of the fact must be regarded with respect. This is the record of Lydia E. Pinkham's Vegetable Compound, which cannot be equalled by any other medicine the world has ever produced. Here is another case:

DEAR MRS. PINKHAM: - For years I was troubled with falling of the womb, irregular and painful menstruation, leucorrhea, bearingdown pains, backache, headache, dizzy and fainting spells, and stomach trouble. "I doctored for about five years but did

not seem to improve. I began the use of your medicine, and have taken seven bottles of Lydia E. Pinkham's Vegetable Compound, three of Blood Purifier, and also used the Sanative Wash and Liver Pills, and am now enjoying good health, and have gained in flesh. I thank you very much for what you have done for me, and heartily recom-

mend your medicine to all suffering women."—Miss Emma Snyder, 218 East Center St., Marion, Ohio. "FREE MEDICAL ADVICE TO WOMEN."

Women would save time and much sickness if they would write to Mrs. Pinkham never violates the confidence thus entrusted to her. and, although she publishes thousands of testimonials from women who have been benefited by her advice and medicine, never in all her experience has she published such a letter without the full consent, and often by special request, of the writer.
